CASUALLY COOL

There is no place for wasted space. Unique pullout features make the most of difficult spaces and look great doing it.
Your space is a reflection of how you live. Live smart! Combining laundry area into your kitchen for convenience. On the go? Add a wall message center to keep everything within a glance and tidy!
Utilizing the CabMat™ under your kitchen sink can put your mind at ease. This mat captures up to 5 quarts of liquid, depending on the size.
Quaint and Cozy

Added details like canopy hoods can add high end feel to any kitchen, no matter the size. Pullouts and corner cabinet storage also maximize usable space.
Tired of straining to get to that serving dish? This easy reach cabinet’s versatility with adjustable shelves allows for complete personalization, so nothing is out of reach.

TRUSTED THOMASVILLE QUALITY MEETS A NEW ATTITUDE.

A NOD TO THE ORIGIN OF THE FURNITURE LINE, THOMASVILLE® STUDIO 1904™ EMBRACES THE LEGACY OF THOMASVILLE.
Every effort has been made to ensure accuracy of product information current as of the publication date. Thomasville Cabinetry® is not liable for typographical errors. Final product selections may vary in color, finish and other features.

Product photography and illustrations have been reproduced as accurately as printing technologies permit. To ensure highest satisfaction, we strongly recommend you view an actual sample for best color, wood grain and finish representation.

When an opaque finish, or an opaque glaze finish is specified, the door and/or drawer front may be constructed of Medium Density Fiberboard (MDF).

Styles, product availability and construction may vary slightly from those shown in this catalog due to material availability and/or design evolution. Specifications are subject to change without notice. For more details see www.thomasvillecabinetry.com or check with your designer.

Thomasville & Studio 1904 construction specifications

UNMATCHED WITH OUR LOAD-BEARING BACK
• Hefty 3/8” thick load-bearing panel extends the entire width and height of the cabinet.
• Unwavering structural support for the life of the cabinet.

3/4” THICK ADJUSTABLE SHELVES
• Thickness enhances interior cabinet stability and support of large loads.
• Secured with clips at ends and back for extra support.

NO CENTER STILE TO BLOCK ACCESS
Utilize the full width of the cabinet for oversized items like serving platters, bowls, and such on cabinets up to 36” wide.

SLAM NO MORE.
This highly-desired feature is STANDARD on Thomasville and Studio 1904 cabinetry lines. The QuietClose™ Premium Guide is offered on most doors, drawers and roll trays. So, go ahead and enjoy the quietness of your new Thomasville kitchen, bath or other room!

• QuietClose Premium Guides on drawers and roll trays.
• QuietClose hinges on most wall, base, tall, and vanity cabinets.

5” TALL DRAWER FRAME OPENING
Drawer height is perfect for taller items such as baggie boxes, ladles, and large utensils.

PLYWOOD* OPTIONS
Thomasville construction materials start with high-quality furniture board, a choice material commonly used throughout the industry, as standard. However, when plywood is desired, Thomasville offers various options that meet your budget and project requirements.

All plywood components meet ANSI/HPVA HP-1 standards, and may contain MDF or particle board.
So much to coordinate. So many decisions to make. Relax, you’ve got Thomasville on your side. We understand that the individuality of a home is in the details. Let the ideas in this brochure inspire you to successfully pair lively colors with rich, furniture-inspired paints and wood tones. Cabinet styles with your home’s style. Finishing touches with your personality. Functionality and beauty that come together in that much-imagined space … YOUR kitchen.

And why not tie it all together? Furniture, cabinetry, even a new line of wood care products for use throughout the home. If it carries our name, it’s designed to flow seamlessly from piece to piece, room to room. Thomasville to you.
